MESSAGE FROM THE CEO

The Parramatta Eels continue to be the dominant sports organisation in Western Sydney, with the biggest TV reach and largest online presence of any club in Western Sydney.

In 2019, we will provide even greater value to our commercial partners as we return home to the new Bankwest Stadium.

This Stadium will provide our Members and commercial partners with an outstanding game day experience and will also contribute to the Club's financial stability, allowing us to invest further in our Football teams.

With the redeveloped Parramatta Leagues Club next door to the stadium, the Eels will be the anchor tenant of a state of the art entertainment precinct, offering the best game day experience in Australian sport.

We are committed to working with our commercial partners to deliver genuine partnerships that provide value now and into the future.

We would love to partner with you and ensure the Parramatta Eels Club and our brand contribute to the success of your business.

Bernie Gurr
Chief Executive Officer
Parramatta National Rugby League Club
Pty Limited

ARE YOU
FEELING
IT?

BANKWEST STADIUM

A new home for the Eels.
A game-changer for your business.

There's never been a more exciting time to partner with the Parramatta Eels. Join us at our brand-new Bankwest Stadium, and enjoy five levels of premium, corporate and function spaces. Experience the thrill of game day, relax with your team in Australia's first rectangular stadium Field Club and get closer to the game than ever before. With a 30,000 seat capacity, the steepest stands in Australia and the country's first dedicated balcony suite level, you're guaranteed views in a league of their own.

Australia's most innovative, immersive stadium will take your business' game to a whole new level and deliver a feeling you'll never forget.

BUILDING A BETTER COMMUNITY

The Parramatta Eels are passionate about playing a valuable role in the community and promoting positive change through Australia's passion for sport. Together with the Parramatta Leagues Club, we contribute more than \$1 million each year to charity and community programs. In 2018, we continued to partner with and support many major projects, including:

Charity Partnerships.

As sponsors of the 50-50 Charity Raffle from Parramatta Leagues Club, the Eels have partnered with 11 local charities, raising more than \$80,000 throughout the season.

Try Time Special Needs and Intellectual Rugby League.

As sponsors of the John Paul Foundation, we promote participation and social inclusion through a rugby league program, with over 120 participants from across the Parramatta Eels district.

Stay Kind Cup.

This partnership between the Thomas Kelly Youth Foundation, the Parramatta Eels, the NRL and the Wests Tigers supports Stay Kind Day. It's an important initiative that raises awareness and prevents suicide, held in honour of the Kelly family, who tragically lost two sons – Thomas and Stuart.

Life Education NSW.

We support the delivery of school-based programs to almost 40,000 students in 205 schools across Western Sydney. These programs aim to promote a healthy lifestyle.

NRL Touch Premiership.

2018 saw the launch of the NRL Touch Premiership, with the Eels unveiled as one of the inaugural teams.

Players in the community.

In 2018, the NRL Squad spent over 900 hours in the community visiting schools, junior league clubs, charities, communities, hospitals and more.

School Development Programs.

Our Development Officers have delivered school-based Rugby League programs to more than 42,000 students across the Parramatta district.

Northern Territory Government.

The Eels have delivered rugby league and community-based programs throughout the Northern Territory, and our Club has also employed a Community Partnerships Executive to further promote the game in the NT.
