HIGHLIGHTS

Strategic

- PJRL competitions for U13 to U16 male - withdrawing from the Central West Conference
- A view towards aligning with the NRL Rules with respect to talent equalisation
- Implementation of Local Transfer Rules for future seasons

Initiatives

- Under 6 Fun Day
- Wellbeing and Culture Day (all U14s players, coaching staff and parents)
- Mental Health First Aid Courses for two members per Club
- Coaching & Trainer Leadership Course: Preventing On and Off Field Violence
- Implementation of the 6 more rule to U15 and U16 PJRL Male competitions
- Targeted enforcement of the NRL Community Concussion Policy
- Match of the Round Livestream, Highlights & Interviews (U16 Division 1 Male & Females U14-U18)
- Under 17s & older Sunday Competition Highlights Packages
- Grand Final Livestreams with commentary
- Posting of all Grand Finals onto Parra JL TV (YouTube Channel)
- Extensive Presentation Night Coverage

Operational

- Over 5,700 registered Players - surpassing to pre-Covid levels
- Female participation growing exponentially - up 127% since 2019
- Conduct of the Annual Club Forum
- Improved Governance of PJRL and Clubs
- Received a \$200,000 uncontested NSW Government Grant to continue and expand the Wellbeing and Culture Day, Coaching Leadership and Mental Health Courses

Looking Ahead

- Commercialise digital assets
- Reset the Strategic Plan Goals and Targets

Jan Bryen - Junior League Administration

CHAIRPERSONS REPORT

Season 2025 was both challenging and rewarding for the Parramatta Junior Rugby League, marked by achievements and a strong community spirit.

As always, we look to focus on the delivery of our Strategic Plan for future growth, and I am proud to state that was achieved again in 2025 - with over 5,700 Registered players in our District.

Female Participation continued to achieve remarkable growth, increasing by over 127% since 2019 - 1,350 Females registered in 2025. Our Growth focuses on inclusiveness, from Under 6s through to Open Age - offering both Tackle & League Tag Competitions.

Each season brings about many challenges, and after considerable feedback from our Major Stakeholders, our Clubs and the Participants of our Junior League - we endeavored to stand alone as Parramatta Junior Rugby League in as many competitions as possible in 2025, and I'm proud to say that we achieved same in the International Boys (Under 13s - Under 16s). We will continue to work towards this goal, particularly in the Female game.

2025 saw the introduction of a new initiative - the Wellbeing and Cultural Day. This was a compulsory pre-season event aimed at the Under 14s Boys, Under 13 & 14 Girls, their Coaches, Managers, Trainers & Parents. In conjunction with our collaboration partners - Western Sydney University & the Parramatta Eels NRL Club - the day was run at Accor Stadium, and included sessions in relation to Mental Health, Violence Prevention, Referee/Player communication and a Q&A session with former NRL players. The aim of this initiative was to shift the culture of our district towards safety, respect and positive engagement. The feedback we received from Parents & Participants was overwhelmingly positive, and it pleases me to advise that the initiative has been recognised by the NSW Department of Sport, resulting in a \$200,00 grant to expand these programs.

The Wellbeing and Cultural Day is a part of our overall strategy in improving the culture within our District. Our continued efforts to work with Coaches & Trainers in our annual Workshops is part of the multifaceted efforts to mentor the youth within our District to not only be the best footballers they can be but also be the best people they can be - an on field & off field approach.

The PJRL continues to offer our Club members the opportunity to undertake Mental Health First Aid Training - a crucial tool modern clubs need to ensure the wellbeing our community.

The excitement of the Under 6 Gala Day at CommBank Stadium is a continued highlight of our Junior League - the exhilaration we witness from our newest members is a testament to why we offer these opportunities.

We continue to showcase our under 16/1s Competition as our Male Match of the Round, as well as continued coverage of a selected Female Match of the Round throughout the season via live streaming.

We undertook a Magic Round for the 16/1s at Kellyville Community Stadium. We also gave teams the opportunity to challenge for the Grand Final at a central venue - Kellyville Community Stadium and Ringrose Park over the course of 2 weekends - very successful weekends for our community. We congratulate all our Grand Final winners on their success.

The Battle of the West was held in the Community Stadium for the first time, and whilst we didn't win the battle in 2025, we could not be prouder of the way our people represented their clubs, their families, and the Parramatta Rugby League Community. A Special mention to our selected Under 21s Squad for representing the PJRL, and we were extremely proud to include our first ever Try Time Selected Squad to represent the PJRL.

None of the achievements of 2025 would be possible without the support of our Major Partners - Parramatta Leagues Club, Parramatta NRL Club, Parramatta Referees & the NSWRL - we thank them for their valuable contributions to our District and look forward to that continued support going forward. To our sponsors - your support continues to allow us to offer our Membership ways to engage with our Junior League in ways we never did previously. We thank you all for your support of our District.

I cannot thank our tireless Volunteers enough, the beating heart of our District - from Club Administrators, Coaches, Managers, Trainers, Canteen Operators, Ground Managers - the list is endless. It's you that makes the District what it is, and it's you the Volunteers that give up your time that guide, encourage and nurture the people that play this great game.

Finally, a big thank you to the Players - for it is for you that we do what we do. Without you - we are nothing. Season 2026 is already shaping up to be a big year - there will be challenges, there will be triumphs, there will be ups and downs - and we look forward to the journey the new season will take us! Bring on 2026!

James Power
Chairperson

GENERAL MANAGERS REPORT

2025 was a season full of highlights for the Parramatta Junior Rugby League.

With respect to Board of Management changes Shaine Flack was elected at the 2024 AGM. Shaine replaced Jan Bryen as an Elected Director. A stalwart of the Parramatta Junior Rugby League, Jan Bryen is engrained in our folklore. Her term as a Director had expired as she had been an Elected Director for more than 10 years, furthermore, Matt Brady replaced former Chairperson Mark Jenkins as the Parramatta National Rugby League representative on the Junior League Board. Mark was a tremendous asset to our Board with his skillset and governance experience and helped shape the way our Board functioned during a high turnover transition.

From a staff perspective, while Jan Bryen vacated her Board role, she continued as Junior League Administrator, Tina Bialluch looked after Junior League Operations, while Tim Gray took up an excellent opportunity in an NRL content team and was replaced by Julian Hay as Multimedia Coordinator. The Junior League would like to acknowledge Tim for his outstanding contribution to the promotion of our District. Growth in exposure and engagement was exceptional during Tim's time with us, and he is to be congratulated for his efforts.

The Parramatta Junior League has a united Board and Staff whose sole focus is to deliver the best Competition and experience possible for our stakeholders.

Our year started as it has traditionally for many seasons with the Under 6s Fun Day at CommBank Stadium. The day is a wonderful experience for the kids and their parents inside the inner sanctum of the Parramatta Eels.

[2025 Parramatta Junior Rugby League Club Inc. Annual Report](#)

With the presenting of a T-shirt, a change room tour, a run out onto the hollowed turf while being clapped on by Parents and Club representatives, followed by on-field skills drills and finally jumping castles and face painting, it is truly an eye opener for new participants.

In 2025, we continued to follow the recommendations from the 2022 Gemba Report on the administration of the Junior League. We reviewed our progress and current situation, and are now working through the report to identify changes that will better align us with where we stand today.

In March we conducted Coaching and Trainer Leadership Sessions with Staff from Under 13 to Under 15 Teams. The sessions focused on the prevention of on and off field violence, we held Mental Health First Aid Courses through Ripple Effect Wellbeing to provide all Clubs with the skills to deliver initial support to their Membership and to offer advice about the services available to them - we also conducted the inaugural Wellbeing and Culture Day - a highly successful event that raised real issues and delivered!

There was buy in across the Parramatta Eels for these initiatives with Parramatta Junior Rugby League Ambassador Nathan Cayless, Parramatta Eels Wellbeing Manager David Gower and Parramatta Eels Wellbeing & Player Liaison Officer George Dansey all involved in the Coaching Leadership program and Nathan and David being on a Q&A Panel at the Wellbeing and Culture Day.

A huge shout out to David Gower for his involvement in the Wellbeing & Culture Day from concept to building the content and delivering the event.

We worked hard during the year to best promote our Players and Clubs, and we were able to achieve great results through several initiatives.

The Under 16 Division 1 Male Match of the Round and the Female Match of the Round Livestream which featured Parramatta Clubs in the U14 to U18 age groups continued in the 2025 season, showcasing our Clubs, Teams and Players.

The livestreams were embraced by all Teams involved - from the initial media day, our game days, the after-match interviews, were all undertaken in an enthusiastic and professional manner.

We would like to thank all Clubs, Coaches & Players in the competition for making the promotion of our Junior League best in class.

No matter how good the product is on the field you need accomplished commentators to describe what is happening. Lewis Shepperd and Greg Hayes were exceptional in their roles throughout the season.

Their passion for rugby league, willingness to learn about each individual player, including how to pronounce their names and their regular communication with Coaches shone through in our broadcasts and in the after game interviews.

Our other social media initiatives provided wide ranging content across many age groups in the District. Sunday U17s to U21s Highlights, the Try of the Week, Little League Legends, and SportShed TV's Around The Grounds promoted and engaged our Membership.

Our NRL and NRLW players visited our Clubs in two separate segments over the year. We thank the players for their time engaging with our Junior League Clubs, Coaches and Players.

At the Round 25 home game at CommBank Stadium the Parramatta Eels invited our Clubs to form a guard of honour. Each of our Clubs was represented by their flag.

This was a great showcase of our Junior League and the kids enjoyed the experience in front of a big Saturday night home crowd.

Throughout the course of the season our Junior League Clubs were provided the opportunity for their Mini & Mod teams to play at half time on the turf at CommBank Stadium. This is a great thrill for the Players involved to play on the Stadium surface and to play in front of a large and vocal crowd who really gets into the spirit when our Teams are performing.

We are blessed in the Parramatta Junior League that four of our Clubs conduct all abilities programs. For the first time there was a Try Time representative Team that played in the Battle of the West against Panther Juniors.

We thank Wentworthville United, Hills Bulls, Greystanes and Mounties for their support of all abilities players.

From a Governance perspective we continued to work on implementing the Goals and Targets of our Strategic Plan and worked with Clubs to ensure they are compliant with modern Community Club standards.

The Junior League received monetary support from Parramatta Leagues through ClubsGrants Funding. The funds received pay for a range of initiatives including Player and Club Insurance, Referees Fees, the Coaching and Trainer Leadership Courses, Mental Health First Aid Training & Accreditation and the Wellbeing and Culture Day. This contribution of \$450,000 reduces an individual Players' cost to play and with the funds effectively staying in the pockets of our Clubs, allows them to purchase their own equipment and undertake other Club functions. The participation, topics covered and outcomes of the violence prevention, mental health and wellbeing initiatives led to the Parramatta Eels securing an uncontested NSW Government Grant of \$200,000 to continue to deliver and expand upon the programs. Without the support of the Parramatta Leagues Club this achievement would not have occurred.

We thank Parramatta Leagues Club President Mark Jenkins and his fellow Directors and Chief Executive Officer Chris Dimou and his staff for their valued contribution to our Junior League.

Trivett Subaru Sydney are also a major sponsor of the Parramatta Junior League, supplying a car for a raffle for several seasons which has seen in excess of \$130,000 received by our local Clubs. We thank the team for their valued contribution.

I would like to thank our Presidents, Secretaries and Club Committees for all of the work they undertook with their Clubs in the 2025 season. The added effort to maintain compliance in a modern Community Sporting Club setting and the need for Clubs with teams aged 13 years and older to have their matches recorded on a VEO Unit required extra work during the season and we thank Clubs for undertaking these functions.

On the Park our registration numbers increased again year on year. We had just over 5,700 Players registered. While our Male participation numbers are on the decline and the PJRL will assess how we can buck this trend, our Female registrations are continuing to prosper.

This season we had a record 1,354 Female players, which is an increase of 127% since 2019.

The Junior League will continue to work with Clubs to introduce Female participants to our game whether it be through traditional tackle Competitions or League Tag and this strategy has been embraced by many Clubs across the District.

This season we had 336 Teams across our Tackle and League Tag Competitions. Those Teams played in over 2,000 games either in Local, Conference or Metro Competitions. We also had 487 Coaches and 1,546 registered Volunteers.

We thank those that set up the Grounds, served in the Canteen on roster, cooked the BBQ, acted as Ground Managers, drove their kids to training and the games or volunteered their spare hours to Coaching, Managing or being a Trainer.

Congratulations to all our competitive Teams who won their Competitions. The Parramatta Junior League endeavoured to provide you with the best possible Grand Final experience, and we hope your day was memorable.

Our Presentation Night in the Rosehill Racecourse Grand Pavilion was a celebration of the season. Thank you to all Clubs for your attendance on what was an enjoyable evening. As always we will look to tweak the night slightly to make it a must attend event each year. Congratulations goes to all the Award Winners.

On a personal note, I would like to thank Jim Sarantinos, Mark O'Neill and the rest of the Parramatta Eels Staff for their help and support during the 2025 season, the Board of Management of the Junior League for the passion they have for this District and for working with our Staff for the betterment of Rugby League, our Advisory Committee for their time spent around the grounds and on varying Committee's during the season, the Volunteers that helped the Junior League conduct our Grand Final, the Junior League Staff Tina Bialluch, Tim Gray, Julian Hay and Jan Bryen for their long hours of dedication to get their job done for our Players and Clubs, the Parra Refs Committee, Coaches and active Referees for their contribution to the Junior League, Peter Clarke, Stuart Stanton and Nick Swan from the NSW Rugby League for their help and advice in conducting our Competitions, Marshal Boyd, D'Arcy Hardman, Liam Castell-Brown and Matthew Galvin for the work they have undertaken across our catchment area as NRL Game Development Officers and to the Presidents & Secretaries of our affiliated Clubs who have loyally supported the Junior League Administration throughout the 2025 season.

Nick Swan has served as the Club and Competition Coordinator for the PJRL over the past five seasons. During his tenure, he has demonstrated considerable growth in the role and has been an invaluable asset to our organisation. Nick has recently been appointed to the position of Area Manager for Inner Sydney and, as such, will no longer be working exclusively with us. We extend our sincere gratitude to Nick for his commitment, passion, and dedication to the PJRL, and wish him every success in his well-deserved new appointment.

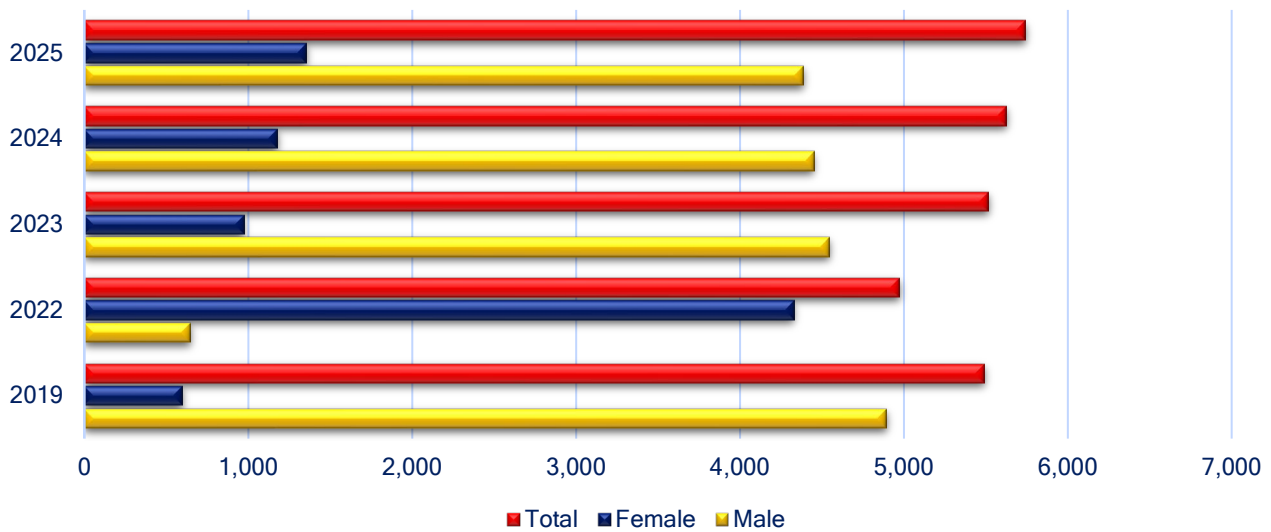

I again thank everyone for their efforts in the 2025 season and look forward to welcoming our Participants back and encouraging new Players to join our game for a bigger and better season in 2026.

Adam Fairley
General Manager

REGISTRATION NUMBERS

By Gender	2019	2022	2023	2024	2025	VAR 2019	VAR 2024
Male	4,892	643	4,543	4,447	4,385	(507)	(62)
Female	596	4,325	970	1,175	1,354	758	179
Total	5,488	4,968	5,513	5,622	5,739	251	117

Registration numbers in the 2025 season saw an increase of 2.0% year on year and an increase in participation against the benchmark (pre-Covid) year of 2019.

Male participant numbers decreased by 1.4% to under 4,400 players. With a withdrawal from the Central West Conference, it was hoped that retention for the 2025 would increase, with an aim to grow numbers by 5%, this did not occur and the PJRL will work with Clubs to retain more players and grow Male participation.

Female participation continues to increase by large numbers year on year. This is due to the introduction of the NRLW Competition, many PJRL affiliated Clubs fielding League Tag Teams and the general promotion of Female Rugby League.

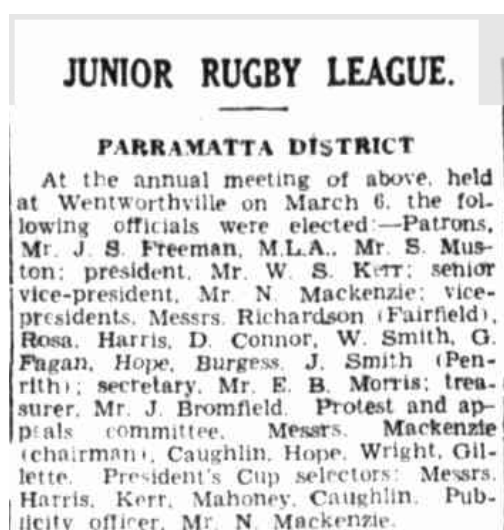

There was a 15.2% year on year increase in Female player numbers in 2025 and with many more Clubs looking to field League Tag Teams in 2026, Female participation will no doubt continue to rise. The aim is to increase by a further 20% over the next 2 seasons, with an aim to have 1,625 Female players by 2027.

The secretary, Mr. Ben Morris, presented a comprehensive resume of the year's work, stating that the standard of football had been very good, with 60 teams and 1498 players. The winners of various grades were congratulated, officials generally praised for their conscientious efforts, and appreciation expressed for co-operation and assistance received from supporting organisations. The revenue totalled £1737, the credit balance being £349.

DISTRICT REPRESENTATIVE REPORT

Parramatta Eels Elite Programs Reach New Heights in 2025!

The Parramatta Junior Rugby League proudly reflects on another outstanding year of development, success, and growth across our Elite Pathways system. The 2025 season delivered historic milestones, championship victories, and inspiring progress for both Male and Female programs. Our Junior League Clubs remain the backbone of these pathways, and we extend our sincere thanks for their dedication in developing tomorrow's stars.

Developing Future Stars: Strengthening Foundations Across All Programs

The Parramatta Eels Elite Programs continued to expand opportunities for our young athletes. Our Under 14 and Under 15 Development Squads remained focused on mastering fundamentals, improving game awareness, and building strong habits that support long-term success. Guided by our Coaching and Performance Staff, these athletes competed in mid-year fixtures, gaining valuable match experience against fellow pathways systems.

The Male and Female programs culminated with Gala Day events playing other Districts.

Summer 16s: Deepening the Representative Pathway

The Under 16 Male program took part in another successful "Summer 16's" campaign, providing early exposure to high-level representative football. Across a competitive block of matches, the squad faced the Cronulla Sharks, North Sydney Bears, South Sydney Rabbitohs, Balmain Tigers, Canterbury-Bankstown Bulldogs and Penrith Panthers. These contests gave players a vital steppingstone toward full Junior Representative football in the years ahead.

Junior Representative Teams: A Season of Breakthrough Success

Lisa Fiaola Cup (U17 Female) - A Historic Year

2025 marked a memorable season for the Under 17 Lisa Fiaola Cup Team, who secured Parramatta's first-ever Lisa Fiaola Cup Title.

Their performances highlighted discipline, confidence, and a growing depth of Female talent across the District. This championship also saw multiple Players progress into the Harvey Norman Women's Premiership program.

Harold Matthews Cup (U17 Male)

The Under 17 Harold Matthews squad showed determination and consistency throughout their campaign. Competing strongly across their rounds, the team continued to build on previous seasons' foundations, contributing a number of promising players to higher grades.

Tarsha Gale Cup (U19 Female) - A Comeback for the Ages

The Under 19 Tarsha Gale Team produced one of the defining moments of the year, staging a remarkable second-half surge to win their first Tarsha Gale Cup Title.

Their comeback victory demonstrated resilience, belief, and the growing strength of the Female Pathway. Numerous members of this squad progressed into the Harvey Norman Women's team, further strengthening our senior women's programs, with two standout athletes making their NRLW debuts, a milestone moment for the club and the Female Pathways system.

SG Ball Cup (U19 Male) - A Grand Final Thriller

The SG Ball squad delivered a powerful season, reaching the Grand Final in dramatic fashion. In one of the most exciting deciders in recent memory, the Eels fell just short in extra time against the Sydney Roosters.

Despite the heartbreaking finish, the season was a major success, with multiple SG Ball players advancing into Jersey Flegg, and several continuing on to make their NSW Cup debuts. The strength of this squad showcased the continuing momentum of the Male Development Pathway.

Jersey Flegg U21s: Building the Next Generation

The Jersey Flegg U21 team experienced strong mid-season growth, supported by the influx of graduating SG Ball players who made an immediate impact. Several athletes developed rapidly across the season, earning opportunities in the NSW Cup system, a key indicator of successful pathways integration.

Making the Grade: Future Eels Step Up in 2025

The 2025 season saw outstanding progression through the grades, reflecting the quality of Coaching and player development across the district.

- Multiple SG Ball graduates advanced into Jersey Flegg
- Several continued their rise, earning NSW Cup debuts
- From the Tarsha Gale Championship Team, several players were selected for the Harvey Norman Women's Premiership, and two standout athletes earning their debuts in the NRLW, marking a historic achievement for the program

These milestones highlight the strength of the Parramatta Eels' Elite Pathways and reinforce our commitment to developing homegrown talent.

Celebrating Club-Wide Success: Flowers Memorial Pennant 2025

In addition to our pathway-level achievements, 2025 will be remembered as the year the club once again topped the competition across all grades. The Eels clinched the 2025 Flowers Memorial Pennant, awarded to the club that accumulates the most aggregate points across all Major NSWRL Competitions at the end of the regular season.

This honour marks the 18th time the Eels have claimed the Pennant (Club Championship), a testament to the consistency, depth, and quality of the entire football program from juniors through to senior grades.

The 2025 season highlights contributing to this success included: NSW Cup finishing 3rd and reaching the Preliminary Final; Jersey Flegg finishing 5th; SG Ball claiming the Minor Premiership and reaching the Grand Final; Tarsha Gale and Lisa Fiaola both bringing home club-first Premierships; and strong showings from our Women's Premiership squad. This Pennant win underscores the integrated strength of our Pathways system, Coaching Staff, and Club culture and reflects the collective commitment of Players, Coaches, Volunteers, and Supporters behind the scenes.

In Summary

The Parramatta Eels Elite Programs in 2025 continued to uphold a proud tradition of excellence, opportunity, and development. With championship victories in both the Tarsha Gale Cup and the Lisa Fiaola Cup, a Grand Final appearance in the SG Ball Cup, and the crowning achievement of the Flowers Memorial Pennant, alongside numerous Players stepping into higher honours, this season stands as one of the most successful in recent memory.

We extend our heartfelt appreciation to every Junior League Club, Volunteer, Staff Member, and Family whose contributions make these pathways possible. Together, we continue to build the future of rugby league across the Parramatta District.

CLUB REPORTS

ALL SAINTS TOONGABBIE

President: Daryn Wilson
Secretary: Tim Moggridge
Teams in 2025: 22

The 2025 season was a strong one for the All Saints Toongabbie Tigers JRLFC, both on and off the field. Despite the challenge of relocating fields mid-season, the club's volunteers, officials, players, and families worked tirelessly to ensure game days ran smoothly. The move to International Peace Park proved positive, with council support enabling us to secure a summer allotment for pre-season training—a first for the club and a great way to engage the local community.

Two major highlights stood out this year:

- Club of the Year: ASTT was voted PJRL Club of the Year, a testament to the respect and recognition from our peers for the effort put in by everyone involved.
- Secretary of the Year: Congratulations to Tim, who was deservedly named PJRL Secretary of the Year. This honour, voted by fellow clubs, reflects Tim's longstanding commitment and leadership.

2025 saw impressive participation, with 383 registered players, 113 officials and 2 premierships won.

While results were pleasing, the club recognises the need to focus on structured development for boys aged 4-8, ensuring strong future participation in male teams. The Girls program continues to grow, and overall retention across age groups remains strong.

On-field, teams demonstrated improvement, sportsmanship, and teamwork. The club's two premierships capped off a season of competitive spirit and development. The Parra update signals changes for 2026, including a new transfer points system and talent equalisation measures.

Progress at CV Kelly Park continues, with these upgrades promising to provide improved facilities for players and the community.

- Field drainage completed and handed back (Jan 2026)
- Amenities Design 1 tabled; Design 2 pending

The club hosted and participated in several successful events:

- Cultural Day & Presentation Day: Both were well received, fostering club spirit and community connection, even if slightly over budget.
- Other Events: Season launch, player visits, and promotional activities further strengthened ties with the local community and partners.

Strong governance was maintained, with compliance to NSWRL policies, Working with Children Check requirements, and club rules. Regular communication ensured transparency and engagement across the club.

Sponsors remain vital to the club's success, providing resources and support for players and officials. The club encourages new sponsors to get involved, helping us deliver better facilities and experiences for all.

The club is focused on growing participation, especially in junior and female programs, continuing coach education and player development, enhancing club facilities and game-day experience and strengthening community partnerships.

With the foundations laid this year, the club is well positioned for further growth and success in 2026.

AUSTRAL CITY BEARS JRLC INC.

President: Joe Nasser
Secretary: Eva Nasser
Teams in 2025: 14

This year marked a major milestone, 15 years of the Austral City Bears! We are incredibly fortunate that our founding members, Anthony and Julie Bucca, continue to support our club through their unwavering commitment, sponsorship, and passion. Their ongoing contribution embodies the true spirit of the Bears family.

We were honoured to have been named Runners-Up for Club of the Year, an incredible achievement for a Sunday junior club! This recognition reflects the hard work, commitment, and passion of our players, families, and volunteers who make the Bears community so special.

The 2025 season has been an outstanding year for the Austral City Bears. Our club has continued to grow from strength to strength, with registrations increasing from 115 to 187 players, a remarkable 62.6% growth this season! This growth allowed us to field an additional five new teams, including two Girls League Tag teams, expanding opportunities for young athletes across our community.

Our Under 10 and Under 11 teams proudly entered the competitive Sunday competition this season and thrived! Their dedication, teamwork, and sportsmanship made us all proud.

Our Under 14 and Under 16 Girls League Tag teams also made the finals, showcasing the growing strength of our female program. While our U14s unfortunately missed their semi-final opportunity due to a washout, they've set their sights even higher for next season.

One of the most memorable highlights of the season was our Women in League Round on Mother's Day, which raised over \$1,400 for the Breast Cancer Network Australia. Thanks to everyone who contributed through the cake stalls, raffles, and competitions, your generosity made a real difference. The day received glowing feedback for our welcoming culture, well-presented grounds, and outstanding hospitality, a true testament to the pride and community spirit our members bring to the Bears.

We were also honoured to have Nathan Hagarty, our local MP of Leppington, attend the event. Deeply impressed by the club and our contribution to the community, he generously donated prizes for the raffle and later presented a statement in NSW Parliament recognising the Bears and the positive impact we have in the local area.

We're grateful to the PJRL for creating so many special experiences for our players this year, from the U6 Fun Day at CommBank Stadium to the Wellbeing and Culture Day, Parra Referee visits, Telstra Footy Country Round Guard of Honour, and special visits from the Parramatta Eels and NRLW players. A special moment came when our U9s had the unforgettable opportunity to play at halftime during the Major Finals at CommBank Stadium, memories they'll cherish for years to come!

To our local community, sponsors, coaches, trainers, managers, volunteers, and players, you are the heartbeat of the club. Your dedication, time, and passion continue to make the Austral City Bears the proud, growing, and family-oriented club it is today.

Here's to an even bigger and better 2026 season – filled with more growth, more success, and more unforgettable moments. Go the Bears!

BAULKHAM HILLS BRUMBIES

President: Scott Mackay
Secretary: Bianca Pratt
Teams in 2025: 6

What a fantastic season of Junior Football we had! It's been a joy to see so many of our players out on the field, enjoying Junior Rugby League and making the most of every opportunity to play.

This season brought exciting growth across all age groups. From our newest Under 6 players being introduced to the game through League Tag, to the Under 7s completing the TackleReady program in the first half of the season before progressing to full tackle rules, then through our Under 8s to Under 11s – the development in confidence, skills and sportsmanship has been incredible to see! I'm sure you're all as proud of the players, as the committee is.

Whether you're a Coach, Trainer, Volunteer, or Parent, I'm sure you've seen the values we strive to uphold as a club – fair play, inclusion, and mateship – reflected in our players' attitudes both on and off the field. These values have shone through not only within our own teams but also in the way we've engaged with other clubs throughout the season. We are constantly complimented by other clubs on how much they enjoy visiting Castlewood Reserve, thanks to the fantastic atmosphere and family-friendly environment we've built as a community club over the years.

Many have even joked that they'd love to bottle what we have and sprinkle it over their own clubs – a true testament to the nurturing and inclusive culture we've created together.

A thank you to all the parents for choosing the Brumbies and for your ongoing support throughout the season. We understand how challenging it can be to juggle work and family life; so we truly appreciate the time and effort you put into getting your children to training and game days.

To those extra-special club members who took on roles as Coaches, Trainers, Managers, or as club Volunteers who helped out during hosting rounds... you are the boots on the ground that make the club the place it is!

I also want to acknowledge our dedicated committee members for their behind-the-scenes work that keeps our season running smoothly. Much of what they do often goes unseen, but it's vital to the success of our club. While our Coaches, Trainers, Managers and club Volunteers are the boots on the ground, our committee members are the engine room that keeps the club moving forward.

To those families moving on from the Brumbies this year – we wish you all the very best and continued success in your Rugby League journey!

For those returning next season - we look forward to seeing you all back and ready to Run Like a Brumby in 2026!

Wishing you all a great off-season and see you around the grounds.

BOX HILL BUFFALOS JRLFC

President: Darrin Rawlings

Secretary: Darrin Rawlings

Teams in 2025: 5

A Year of Beginnings and Community

Introduction

The Box Hill Junior Rugby League Football Club (JRLFC) is proud to present its 2025 Annual Report, reflecting on a year of remarkable achievements, memorable moments, and commitment to the development of junior rugby league in our local community. This report captures the highlights, challenges, and future directions for our club, as we celebrate the dedication of our players, coaches, volunteers, and supporters.

Club Achievements

- **Participation Growth:** In 2025, Box Hill JRLFC saw our first season in the Parramatta Junior League, welcoming 40 junior players across Under 6's and 7's age groups.
- **Community Engagement:** The club organised several successful events, including the annual Family Fun Day, charity BBQs local causes, and school clinics introducing rugby league to over 1,000 students.

Coaching and Player Development

Our coaching staff continued to prioritise skill development, teamwork, and sportsmanship. Regular training sessions, specialist coaching clinics, helped players grow both on and off the field. With the support of the Parramatta Junior League the club invested in new equipment and resources, ensuring all teams had the best support possible.

Volunteer and Community Contributions

Box Hill JRLFC is a volunteer-driven club, and 2025 was no exception. Our committee members, coaches, team managers, and ground staff gave countless hours to ensure a smooth and enjoyable season. The club also strengthened partnerships with local businesses and community groups, enhancing support for our junior players and their families.

Facilities and Infrastructure

We appreciate our new facilities and will maintain them for long-term use. Providing a safe and welcoming environment for all members and visitors.

Financial Overview

The club ended the financial year with strong assets after investing in training and game day equipment. We plan to further improve our finances over the next five years. Members can request detailed financial statements.

Looking Forward

As we move into 2026, Box Hill JRLFC remains committed to providing opportunities for junior rugby league players of all backgrounds and abilities. Plans are underway for increased female participation, expanded community programs, and further facilities upgrades. We thank everyone for their ongoing support and look forward to another successful season.

Conclusion

2025 was a year of achievement, camaraderie, and community spirit at Box Hill JRLFC. We are excited for the future and grateful to all who make our club a thriving hub for junior rugby league. Go Buffalos!

CABRAMATTA RUGBY LEAGUE

President: Bradley Jennings

Secretary: Raima Pritchard

Teams in 2025: 26

As we close the chapter on an unforgettable 2025 season, we reflect with immense pride and gratitude on what has truly been a remarkable year for the Cabramatta Junior Rugby League Club. From our youngest players in the mini and mod age groups, taking their first steps in the game and learning new skills, to our senior teams demonstrating leadership, discipline, and passion – every individual who wore the Cabra colours this season has contributed to a year of growth, success, and unity.

This year, Cabramatta proudly fielded 26 teams across all age groups, from Under 6s through to Opens. Week after week, our teams displayed the heart, determination, and community spirit that define what it means to be part of the Cabra family.

As the season drew to a close, our club achieved an incredible milestone – 14 teams qualified for the finals, with 9 Minor Premiers, 8 Grand Finalists, 5 Premiers, and 2 Battle of the West Champions. These achievements are not just numbers, but the result of countless hours of hard work, sacrifice, and dedication from everyone involved.

Our club's success this year extended beyond the field. At the Parramatta District Junior Rugby League Presentation Night, Cabramatta was honoured with two of the most prestigious awards – the 2025 Club Championship and the Junior Incentive Shield.

To say this was a proud moment would be an understatement. It had been 17 years since the Club Championship last returned home to Cabramatta, and to see it back in our hands was a moment of pure joy and validation of the incredible effort and unity that runs throughout our club.

None of this success would have been possible without the people who form the backbone of our organisation. To our Cabramatta Leagues Board and Club, thank you for your continued support and belief in our vision. To our Committee, who work tirelessly behind the scenes to ensure everything runs smoothly – your leadership and organisation make all the difference. To our Coaches, Trainers, and Managers, thank you for guiding our players with passion, knowledge, and care.

To our Parents and Families, thank you for your unwavering support, for the early mornings, the long drives, and the sacrifices made so your children can chase their dreams. And to our Volunteers, the heart and soul of Cabra, thank you for giving so much of yourselves so our kids can play the game they love.

This season has reminded us that Cabramatta JRLC is more than just a club – it is a community, a family, and a home. Our success on the field reflects the strength of our culture off it – one built on respect, inclusion, and pride. Every player who pulls on the blue and white represents generations of history, resilience, and a shared belief in what Cabra stands for.

As we look ahead to 2026, we do so with excitement and confidence. The future is bright for our club, and we remain committed to nurturing our young athletes, supporting our families, and continuing to be a pillar of excellence within the rugby league community.

From the entire Cabramatta Junior Rugby League Club – thank you for being part of this incredible journey. Together, we have achieved something truly special this year, and together, we will continue to grow stronger.

Once a Cabra, always a Cabra. 💙💜

#CabraFamily #ClubChampions #BuiltOnPrideAndPassion

CH DRAGONS JRLFC INC.

President: Harry Pickersgill

Secretary: Jasmine Fyfe

Teams in 2025: 15

In 2025 the Canley heights dragons fielded 15 teams an improvement from last year where we fielded 12. Player registration reached 275 this year a 47% increase from the previous season. Our teams ranged from 6's to 17's which also included 4 girls league tag sides.

This season the club celebrated 55 years which brought about some positive results in our competitive sides as well as our smaller kids having fun learning the game. Of our complete sides 6 of our 9 teams played semi final footy. A big congratulations to our 12 girls tag who made it all the way to the grand final as well as our 16's tackle for winning the minor premiership. As for our remaining complete teams done us proud in their seasons 12 tackle moving up a division this year and improved as the season went on.

13 tackle got pushed up to division 1 after being in division 3 the previous season, continued to show up each week and make the club proud.

14 tackle a team put together struggling for numbers but once they had the numbers played great footy.

14 tag girls: majority of these girls hadn't played tag before and with the team all being 13 will benefit with the experience next season in the same age group

16 tag girls (2): same as our 14's with inexperience but played some great footy by the end of the season

16 tag girls (1): finished 3rd and due to the rain wasn't able to properly challenge for the finals, definitely had the team to win it all

17 tackle boys: finished 3rd and due to the rain wasn't able to properly challenge for the finals, definitely had the team to win it all

Special Recognition

The Dragons have some major awards that we give to members out our club who go above and beyond and show us what it means to be a dragon.

Snr club person of the year: Carl "Sarge" Tonks

Carl is one of the first people at home games and will always help by jumping on the BBQ or as a ground manager on top of coaching the under 11's this year.

Jnr club person of the year: Jayden Faaola

Jayden is a member of our under 13's squad who leads from the front. But when he's not playing, he's helping as a trainer for his sisters' teams with our under 10's and 12 girls tag Presidents Award: Alexander Isong

Alexander is a member of our under 17's squad who is a very skilled player, but this award isn't just about the efforts he puts on the field. This award is given to a player who shows us what being a dragons player is all about with the right attitude towards the game and the people involved in it

A heartfelt thank you to Canley Heights RSL and Sporting Club for their unwavering support as well as all of our sponsors who came on board this year: Toko group, GCDE clothing, Latu plumbing, Kozmik sweetz, century 21 the parks, RMC care Australia and tyreworld. Your sponsorship has been vital to our success.

Thank you to all the parents who contributed, whether through canteen and BBQ help or coaching support. Your efforts are deeply appreciated and make a significant difference.

We also extend our gratitude to the Parramatta Junior League for their tireless work in ensuring our kids can play week in and week out. Without your dedication, our games wouldn't be possible.

Finally, a huge thank you to all the players who donned the Dragons jersey this year. Your hard work and spirit have made the club proud. We look forward to an even bigger and better season in 2026!

GREYSTANES JRLFC INC.

President: Brandon Onorato

Secretary: Guy Coleman

Teams in 2025: 24

2025 has been another successful year at Greystanes. Our club continues to grow at a remarkable pace. In 2024 we had 278 registered players, and in 2025 we proudly fielded 395 players an increase of 117. Alongside this, our volunteers grew by 32 volunteers from 85 to 117, showing the incredible community spirit and support that surrounds our club.

On the field, our players and teams achieved outstanding results. We had nine Male international teams reach the semi-finals and four teams our Under 14, 15, 16 and 19's all made it through to their grand finals, with the under 19s taking out the Division 2 premiership.

This was a massive achievement for a group of young men who have been Greystanes Devils since their junior days. After four years apart, they came back together, re-formed as a team in memory of one of their mates and Greystanes player Ike Brooks who passed away in 2023, the team capped off the season by winning the competition a proud moment for the players, Brooks Family and the entire club.

Our female football and league tag programs also reached new heights this season, making 2025 the biggest year yet for our women and girls. We proudly fielded three league tag teams two under 12s and one under 16s all of which reached the finals. One of 12's and the 16's made it to the grand Final also. In addition, our under 14s and under 16s league ladies' teams had highly successful seasons, showcasing the talent and growth of our female program.

A key part of this year's success has been our continued focus on all players development and the growth of the female programme. By investing in our players and having highly motivated and dedicated coaching staff for both boys and girls, we have not only improved

[2025 Parramatta Junior Rugby League Club Inc. Annual Report](#)

the quality of football being played but also strengthened the future of the Greystanes Devils. The rise of our female participation has been especially important, bringing new energy, opportunities, and recognition to the club.

The Greystanes Devils also take pride in giving back to the community. Our annual Charity Day continues to grow every year, and in 2025 we successfully raised close to \$9,000 to support one of our under 7s players to help cover costs for medical treatments. This was an incredible effort from our players, members, and supporters, showing the true heart and generosity of our club.

The Greystanes Devils remain a truly inclusive club. Our Try Time and All Abilities programs paved the way again this year, providing opportunities for everyone to enjoy rugby league in a safe, supportive, and welcoming environment. We added another all-abilities program at Holroyd High school where students learn the fundamentals of rugby league, adding to the all abilities program at Holroyd High we are hoping to introduce this in a few other schools if we can to bring awareness to our try time program and integrate it with our senior teams. Another milestone was the return of our A Grade side for the first time in five years, a huge step forward for the club and a testament to our growing player base.

The current committee would like to thank our previous committee members for creating this great club we would also like to give special thanks to our local MP Hugh McDermott, Dianne Coleman and everyone involved in pushing for the much-needed club facility upgrades through council. We are hopeful that the finance will come through soon so we can finally get the ball rolling and improve our facilities for all our players and members.

None of this success would have been possible without the dedication of our committee and volunteers. We would like to recognise and thank all coaches Managers, Trainers and volunteers for their tireless efforts throughout the year. The Committees hard work along with our numerous Volunteers is the driving force behind this one of the best financial and footballing years our club has had in a long time.

The Greystanes Devils are stronger than ever. With our continued growth, inclusiveness, and community support, the future looks incredibly bright. Thank you to all our players, volunteers, supporters, and sponsors for being part of this wonderful journey.

It's Great at Greystanes!

GUILDFORD OWLS JRLFC

President: Charlie Abraham

Secretary: Clay White

Teams in 2025: 41

The Guildford Owls Junior Rugby League Club is proud to declare the 2025 season an historic success, highlighted by record participation, multiple premiership victories, and the successful launch of new programs. Our growth proves that the future of the mighty Owls is brighter than ever!

Club By The Numbers: A Record-Breaking Year

The community spirit and dedication of our members drove the club to unprecedented growth in 2025:

Category	2025 Total	Impact
Registered Players	600+	A record number of children participating in the sport.
Total Teams	41 Teams	Covering all age groups from U6s through to Opens.
Volunteer Staff	150+	Making every training session and game day possible.

Record Growth in the Mini Owls Program

The 2025 season saw the Guildford Owls record their biggest ever intake of Mini Owls, securing the future of the club with an unprecedented number of junior players aged 6 to 9. This phenomenal growth is a testament to our welcoming, family-focused environment and our commitment to junior development.

U6s 5 Teams, U7s 2 Teams, U8s 4 Teams & U9s 4 Teams

This massive cohort of young Owls is the foundation for future success, and we celebrate the dedication of their coaches and the trust shown by all the new families joining the club.

A Historic First: League Tag Premiers!

The 2025 season was a momentous year for female participation, as it marked the very first year the Guildford Owls introduced Girls League Tag to the club.

[2025 Parramatta Junior Rugby League Club Inc. Annual Report](#)

To celebrate its launch by achieving Premiership glory is a testament to the talent and dedication of our players and coaches. This dual success in the program's inaugural year underscores the club's commitment to growth and providing fantastic, inclusive pathways for all girls in the community. Our new motto is clear: Don't choose, play BOTH! (Tackle on Saturday and Tag on Sunday).

2025 Premiers

Congratulations to the mighty Owls teams who reached the biggest stage of the season and walked away with the coveted Premiership! We celebrate their incredible effort, dedication, and sportsmanship. (U19 Gold, U17 Gold, U16 Division 2 (Paulo), U13 Division 1, U12 Division 1, U12 Division 2, U16 Girls League Tag Silver, U12 Girls League Tag Silver, U12 Girls Gold)

Season Highlights & Community Events

1. 2025 Multicultural Weekend Summary

Held on July 16, 2025, the Multicultural Weekend was a resounding success and a highlight of the club calendar. The event was a fantastic celebration of the diverse backgrounds within the Guildford Owls family and the broader community.

2. Club Growth and Female Participation

- The Owls fielded teams in all age groups from U6s to Opens, demonstrating strong, sustained growth. We had the biggest intake of our Mini Owls this year,
- The club's commitment to female rugby league saw the successful introduction of Girls Sunday League Tag, allowing girls to participate in both Tackle (Saturday) and Tag (Sunday) competitions.
- Registration for the 2025 season was so successful that the club had to close it early, with all teams being full.

Conclusion

The 2025 season will be remembered for the outstanding achievements of our Premiership-winning teams, the positive atmosphere created by our community events like the Multicultural Weekend, and the ongoing commitment to providing a fun, supportive, and successful environment for all players.

HILLS DISTRICT BULLS JRLFC

President: Michael Gremmo

Secretary: Rick Palin

2025 Teams: 45

The 2025 Winter season concluded successfully. Hills Bulls Sports Club proudly remains the premier sports club in the Hills District. This achievement is thanks to our sponsors, officials, parents, supporters, and volunteers whose dedication strengthens our Club. Special appreciation goes to our Board and Coaching & Development team for their professionalism and vision.

Honoring Paul 'Griffo' Griffin

We lost a true Club icon in 2025. Griffo's legacy lives on through:

- Griffo's Gym at Crestwood Oval - a high-performance facility.
- Inaugural Griffo's Cup and NSWRL's Paul Griffin Award.
- Griffo's Long Legend Lunch - raised nearly \$100,000 toward our \$350,000 Community Centre goal.
- Launch of the Bulls Greyhound Syndicate.
- Griffo's generosity, including organ donation, continues to inspire us.

Our Club Our Legacy Campaign: Initiatives like Buy-A-Brick and NRL Vegas raffle have raised \$205,000 of the \$350,000 target for the Community Centre.

Major Events: Jersey Day, Nathan Gremmo Shield, Hills Bulls Sports Lunch, and Golf Fundraiser.

Digital Growth: Enhanced website and social media presence.

Achievements: 23 teams reached finals, 14 Grand Finalists, 6 Premiership winners.

All-Abilities Success: 4 players selected for Parramatta Rep team.

Strong representation in Development and Representative Squads.

Leadership: Jason Baitieri returned as Club Captain; joins Coaching team in 2026.

Highlights: Taniela Lasalo named NSWRL Ron Massey Cup Player of the Year.

Women's Program: Open Age team - 2025 Grand Finalists.

Continued alliances with North Sydney Bears and Parramatta Eels.

To our sponsors - your loyalty drives our success. Our guiding philosophy remains: CLUB - TEAM - PLAYER. Thank you for an outstanding season. Enjoy the summer break, stay safe, and see you at Crestwood Reserve in 2026.

Of note: Our female programs have grown significantly, and Hills Bulls would have claimed the Parramatta District Club Championship under previous criteria.

NSW State Government unfortunately ruled our grant application ineligible for the \$100,000 which was fully endorsed by our local member Ray Williams MP as the land owner did not give us permission to build on their land which is incorrect as we have a letter endorsing the building, Development Approval, Modification Approval and Construction Certificate and commenced work on site under their inspections. State Government then cancelled the Q4 grant and will have the grant reopened in 2026.

On Sunday, 16th November, the NSWRL had their community day at Olympic Park and we were presented with a \$200,000 grant towards the Community Centre, which we will commence construction in 2026.

KELLYVILLE BUSHRANGERS JRL INC.

President: Hayden McDonald

Secretary: Matt Medlin

Teams in 2025: 17

During the 2025 season, the club navigated a new set of challenges following the return to Kellyville Park, coinciding with the completion of the Parramatta Eels Centre of Excellence. Adjustments were necessary regarding ground availability, particularly for training nights, as coordination was required with the Eels pathway teams who also needed field space in the evenings. The new facilities presented further obstacles, including limited access to amenities and restrictions on canteen usage. However, through open communication and collaboration between club representatives and Eels management, these issues were addressed effectively, and all parties were able to reach workable solutions.

In addition to these operational challenges, the Club marked a significant milestone by celebrating its 30th anniversary season. A dedicated function was held to commemorate this occasion, bringing together members from the original team and former board members. During the event, these founding members shared their experiences and answered questions about the club's history, offering valuable insights and fostering a sense of tradition and pride within the organization.

Sponsorship:

The Club worked hard to expand on existing relationships and pursued new opportunities to increase sponsor support; through this we were able to purchase brand new Gazebo's to assist with providing shelter for the Game Day officials.

Off the Field:

We continued to reconnect with our life members and the community holding a successful season launch where majority of our registered players and their families spent a night watching the NRL and announcing Team captains.

2025 Parramatta Junior Rugby League Club Inc. Annual Report

The Committee looked to expand on our Women in Leagues round that we've held for the past 3 seasons now and decided to supply all teams a pink jersey to mark the day. We worked on supporting a local foundation that works on the front line with respect to Domestic Violence against women. This year's Charity was the Lisa Harnum Foundation where we were able to raise \$5,000.00 through cake stalls and 50% of the Women in League Round Sponsorship.

Registrations:

We had a total of 248 registered players and 17 teams comprising 5 Mini teams, 6 Mod teams, 6 International teams and an Open Men's team.

The club was supported by a team of 85 dedicated volunteers covering Coaches, Managers, Trainers, Ground Managers and Committee Members.

Final series results:

This year we had 5 teams make the Finals with 2 making it all the way to the Grand Final. U12 Div 3 - Minor Premiers & Premiers, U13 Div 2 - Runners Up, U14 Div 1 Tier B - Semi Finalists, U15 Div 1 - Semi Finalists, Open Men's - Elimination Finalists

Player Development:

This year several of us have been successful in gaining selection in various Development and Representative squads with the Parramatta Eels.

Club person of the year- Damien Cahill

Damien Cahill was a fresh face to the committee in 2025, but hit the ground running as our Gear/Equipment Steward. He was always helping set the fields up in the early hours of a Saturday to ensure the fields were ready for families to arrive, taking time out of his day to ensure the Equipment room was well organized prior to training nights and making new goal posts for our Mod teams to enjoy. He also spent a lot of time on the BBQ during game day's ensuring all food was fresh and cooked to perfection.

Looking into the future:

The club is introducing a League Tag team into the club's offerings as well as an Open Women's side and looking to expand on its registration numbers through an array of different opportunities. We have refreshed our Sponsorship package to make it more enticing for smaller businesses to get involved in a local community sports club.

LALOR PARK KOOKAS JRLFC

President: Julian Tuigamala

Secretary: Sonia Smart

Teams in 2025: 3

We would like to recognise our committee members, volunteers, coaching staff, parents and players. The countless hours spent organising, transporting, cheering, supporting and simply showing up. Grassroots clubs like ours are built on the effort and commitment of everyday people, and without your dedication, our history and 2025 season would not have been possible.

Season Overview

The start of 2025 was a period of transition for the club. Internal circumstances required us to consider succession planning, and there was an opportunity to introduce new leadership in the roles of President and Secretary. With this shift, the club took a renewed approach to engaging with our community. Increased social media presence and targeted messaging helped to raise awareness, strengthen our connection with the local area, and continue to build pride in the Kookas identity.

However, the off-season also brought challenges. Despite our best efforts to recruit and retain players, the club saw the loss of several key teams - Men's A Grade, Under 13s, Under 11s, and our second Under 6s squad. This resulted in a reduced number of teams competing in 2025: Women's A Grade, Under 8s, and a single Under 6s team. While this was a significant shift, the spirit of those remaining sides has been admirable. Each team played with courage, sportsmanship and genuine club pride.

Looking Ahead

2025 may represent a pivotal point in the Kookas legacy. Despite ongoing efforts, we were unable to secure new Executive Committee members to continue leading the club into the 2026 season and beyond.

The Kookas have a strong and proud history, and we remain hopeful that through discussion, collaboration and community input, a path forward can be found that honours the past while creating opportunities for future players.

Closing Statement

We extend our heartfelt thanks to all who have supported the Kookas this season and across its many years. Whether this chapter closes or evolves, the legacy of the Kookas lives on in every player who has worn the jersey, every volunteer who gave their time, and every member of our community who supported the blue, brown and white with pride.

MARCONI MUSTANGS JRLFC

President: Carmine Barbaro

Secretary: Carly Shipley

Teams in 2025: 8

The 2025 season was another successful year for the Marconi Mustangs Junior Rugby League Club. The Executive Committee extends sincere thanks to all players, parents, team officials, volunteers, sponsors, and stakeholders whose commitment and support made the season's achievements possible.

Acknowledgements

The Club expresses its deep appreciation to:

- Primary Stakeholder: Club Marconi
- Major Jersey Sponsor: Adduso Concrete & Pumping
- Valued Sponsors: JTS Engineering, Marando Real Estate, Practical Homes, Novella, Pat Faga & Associates, Adriano Coluccio Funeral Services, Kanebridge Finance, MJP Equipment Hire, Smokey's, Flow Build, and Pete's Waste Oil.

Their generous contributions continue to enable the Club to provide opportunities for young players to participate and develop in the sport.

Special thanks are also extended to the Parramatta Eels, Parramatta Junior Rugby League, NSWRL, and their corporate partners for their leadership and ongoing support of junior rugby league across the district.

Season Highlights

- Under 6s Season Launch: Players participated in the 2025 launch at CommBank Stadium, walking through the NRL change rooms and joining on-field drills.
- March - Eels Player Visit: NRL stars Josh Addo-Carr and Junior Paulo visited Marconi Park, engaging with players in drills and races, providing inspiration to all.
- August - Stadium Day: A special Club Marconi event was scheduled to give Mustangs players the experience of playing on the main field. Unfortunately, the event was cancelled due to poor weather but remains a key goal for future seasons.
- Mental Health Day: Players showed support through themed try celebrations promoting mental health awareness.

Club Operations

Volunteers remained the backbone of the Club. Despite occasional challenges, most game days ran smoothly, thanks to the dedication of the executive committee and volunteers. Playing at home grounds continues to strengthen community bonds, enhance player and parent engagement, and support club fundraising through the canteen.

Positives & Achievements

- **Strong Player Participation:** Consistent player numbers across most age groups ensured competitive representation.
- **Community Spirit:** Excellent support from families, volunteers, and sponsors fostered a positive and welcoming club environment.
- **Player Development:** Noticeable improvements in skill, teamwork, and confidence reflected the high standard of coaching.
- **Volunteer Commitment:** Dedicated team officials and helpers ensured smooth game-day operations.
- **Club Culture:** The Mustangs' core values respect, teamwork, and sportsmanship were evident throughout the season.

Conclusion

The Marconi Mustangs JRLC enjoyed a strong and rewarding 2025 season, both on and off the field. While challenges remain in player retention, volunteer engagement, and financial sustainability, the Club's strong community spirit and ongoing support from stakeholders provide a solid foundation for future growth and success.

MAULERS UNITED JRLFC

President: Samire Fakhri

Secretary: Raina Fakhri & Venessa Greive

Teams in 2025: 16

What a successful season for the Maulers Club. We had a total of 16 teams this year which is a growth for our club. I know we will continue growing each year through consistent support from our family and friends.

Big Congratulations to the under 12 Boys and Under 12, 14(2s) girls league tag teams for making it to semi-finals.

A huge achievement for the under 14 boys and Under 16 Girls League tag for making it to grand final but unlucky on grand final day.

And our amazing under 18 girls league tag taking out Minor Premiership and the Grand Final Win! Premiers for 2025. Well-done and we are so proud of each one of you!

We had some great visits from Parramatta Junior League where our teams were interviewed. We also had a couple of visits from sports shed and parramatta players which the kids and parents enjoyed.

It was a great season for all our teams. Under 6s continuing to grow through the club. Our two under 7s learning through tackle ready. Under 8s and Under 9s another great season and under 10s and 11s stronger every year. Under 10, 14 (1) and 14 (2) had an extremely positive season and growth.

Huge shout out to the coaches, trainers and managers of all our teams. I could not ask for a more encouraging, committed and supporting coaching team.

Thank you to all the volunteers at Maulers United for all your support.

Thank you to all our sponsors, without you we could not continue running the club

Biggest call out goes to the kids, the reason we do what we do. Go the Maulers!

MERRYLANDS RAMS JRLFC

President: Steve Khazma

Secretary: Haylee Piu

Teams in 2025: 3

In 2025 Merrylands Rams fielded 3 teams Under 12, Under 14 and Open Men, unfortunately we have been seeing a decline over the years and 2025 was one of our lowest for registrations. Our goal for 2026 and onwards is to rebuild and again be a big presence in the Merrylands community.

For 2025 we had a new committee with Steve Khazma moving from Vice President to President and Luke Surtees taking on the role of Vice President. We also welcomed some new members onto the committee; Colleen Morris and Abir Atleb.

On the 30th April we privileged to have a visit from a couple of Eels players William Latu and Arthur Miller Stephens. The kids loved running around having a game of touch with the players, getting apparel, balls and posters signed. The evening was even more eventful with appearance from tiktok influencer “Yeah The Benaries”.

On the 23rd August we had the pleasure of attending the Parra Vs Roosters game with our female player Ana Setefano in the Guard of Honour for the NRLW and Marwar Khazma the Guard of honour for the Men's NRL run onto the field.

Our Under 12 boys participated in a friendly relay against other JRL teams in our district between the NRLW and NRL games and had a great time.

Thank you, Parramatta JRL, for the opportunities our kids have had to be in the spotlight and have these experiences they will remember forever.

Our under 14 boys were top 4 in Div 2 and were moved up to Div 1 which was a surprise to them and came with some challenges. The boys took it in their stride and played their best in Div1 improving along the way. The Division was split to Teir A and Teir B and our under 14 boys took out the Teir B Premiership. An amazing win for the boys. 9 years in the making coming close a number of times but not quite getting there, well this year they did it.

On the 18th October 10 of our committee and volunteers attended the Parramatta JRL Presentation evening where our under 14's coach Shaun Millar was recognised for his achievements and awarded Parramatta JRL Coach of the Year. Greatly deserved, Shaun has been with Merrylands Rams for 9 years as a coach and has moved up each year as his kids changed age groups. His dedication and commitment to the team, developing the kids has led to their 2025 under 14 Div 1 Teir B Premiership.

We would like to thank our volunteers and our sponsors for their continued support over the 2025 season, and we look forward in working with you going into 2026.

As the saying goes the only way from here is up, so may 2026 bring more opportunities for Merrylands Rams to grow and be back to the big competitive club it ones was.

MOUNTIES

President: Paul Curry

Secretary: Lana Tran

Assistant Secretary: Rebecca Shannon

Teams in 2025: 23

The 2025 season was an outstanding year for Mounties Junior Rugby League Club, with 21 teams proudly representing the club across all age groups, from Under 6s through to A Grade and Open. Mounties had 416 players and 98 Volunteers registered for this season.

A particular highlight was the significant growth in female participation. Mounties JRL fielded six female teams in every age group. Under 12s, two Under 14s, Under 16s, Under 18s, and Open Women's.

Several of our Under 14 and Under 16 female players were also selected in the Parramatta District Development Squads, representing our club with pride against other districts. The success of our female program is a testament to the hard work of our coaching staff and the enthusiasm of our players, and we are committed to further expanding pathways in 2026.

Our achievements this season reflect the dedication and teamwork of everyone involved with the club. I extend my sincere gratitude to our coaches, team officials, volunteers, and committee members for their tireless efforts and professionalism throughout the year. To our parents and supporters, thank you for your ongoing encouragement and commitment. Your contribution is invaluable to our success both on and off the field.

We also acknowledge the continued support of the Parramatta Junior Rugby League, NSWRL, and the Referees Association, whose guidance and partnership ensure the smooth running of our competitions.

Finally, on behalf of the entire Mounties Junior Rugby League Club, I express our most profound appreciation to our mother club, Mounties, for their ongoing financial and personal support. Your continued backing is instrumental to the growth, development, and sustainability of our junior program.

As we reflect on a successful 2025 season, we look forward to building on this momentum and continuing to strengthen our club in the years ahead.

OLQP BULLDOGS

President: John Saliba

Secretary: Danny Gebran

Teams in 2025: 6

Our club has always been about community, family, and our shared passion for rugby league. But none of this would be possible without YOU – the parents, grandparents, carers, and supporters who brave those hot pre-seasons all the way through frosty winter mornings and chilly Wednesday night trainings. Your dedication is the reason the Bulldogs are still standing strong after 50 years, and it's your energy that continues to drive us forward.

The 2025 season has been nothing short of extraordinary. Not only did we celebrate our golden anniversary, but we also saw our club spirit shine brighter than ever. Hosting the first two rounds of the season gave us the perfect opportunity to showcase who we are, and we celebrated the Bulldogs the best way we know how – with passion, pride, and plenty of fun. It has been an honour to serve as your president in such a milestone year, and a joy to watch our kids run out in those special 50th year jerseys, playing the game we all love with smiles on their faces and fire in their hearts.

To the 2025 Committee – you absolute legends! I can't thank you enough for your hard work, time, and effort. From organising events to keeping the club running smoothly week in and week out, your commitment made this season a success. A huge shout-out to the Gebran family as a whole. Danny and Ben, balancing your own businesses while keeping the Bulldogs ticking along is no easy feat, and we're all grateful for your dedication. The way you've both stepped up this year is a testament to your love for the club and the community it represents.

We had six teams this season, from the U6s to the U10s, and what an incredible group of young Bulldogs they were! Week after week, they showed courage, teamwork, and plenty of highlights – whether it was their first season learning the basics or their last year in minis showing real leadership on the field. None of this would have been possible without our amazing coaches, managers, and trainers.

You gave up your time and energy to make sure the kids not only developed their skills but also had fun and built friendships along the way. You are the heart and soul of this club, and we can't thank you enough for everything you do.

To our sponsors – without your backing, we wouldn't be able to provide the environment our teams thrive in. Your support has been invaluable, and it's because of you that our kids can wear their colours with pride every week.

One of the absolute highlights of our 50th year was the annual Bulldogs camp, where more than 60 of our players, families, and supporters came together for a weekend of fun, connection, and the great outdoors. With children ranging from 4 to 15 years old, it was incredible to see everyone mixing together – the older kids looking out for the younger ones, and the younger ones soaking up every bit of the Bulldogs spirit. From beach games during the day to bonfires at night, the camp was filled with laughter, teamwork, and memories that will last a lifetime.

The way our kids carried themselves all weekend was something to be proud of. They showed respect, kindness, and plenty of energy – exactly what being a Bulldog is all about. As president, nothing makes me happier than seeing our young players not only grow on the field but also build friendships and experiences off it. I truly hope they'll look back on weekends like this with fondness, and that together we'll create many more memories in the years to come.

As we close the chapter on this milestone season, I want to once again thank every single person who has played a part in making 2025 so special. From the committee to the coaches, from the sponsors to the parents, and most importantly, to the kids who pull on the Bulldogs jersey each week – you are the reason this club continues to thrive. Here's to the next 50 years of Bulldogs rugby league, built on the same values of family, community, and passion that have carried us this far.

Go the Bulldogs!

PARRAMATTA CITY TITANS

President: Philip Fahd

Secretary: Anthony Loulach

Teams in 2025: 15

The 2025 season was a year of growth, resilience and achievement for the Parramatta City Titans. With 15 teams competing across age groups, our players demonstrated determination, skill and heart, making every game a testament to their commitment to the Titans' values of teamwork, sportsmanship and community.

Our on-field performance was strong with several teams reaching finals and making their mark in the Parramatta District Junior Rugby League competition. The Under 12s progressed to the Preliminary Final, the Under 16s reached the Semi Finals, the Under 16s League Tag team also reached the Preliminary Final, demonstrating versatility and competitive spirit that will be the foundation for future success.

Highlights from the season were not just about finals. Our players achieved milestones that inspired their teammates and the wider club. Seti Meka of the Under 14s was awarded Try of the Year at the Parramatta District Junior Rugby League Presentation Night, an achievement celebrated by the whole club.

Each try, tackle and play across our 15 teams told the story of young athletes pushing their limits, supporting one another and growing both on and off the field.

Community is at the heart of the Titans. 2025 saw the Team Simon Fundraiser become a landmark event, bringing together players, families, volunteers and supporters in a powerful show of unity and generosity.

Events like these reinforce that the Titans are more than a club; they are a family committed to supporting one another through challenges and celebrations alike.

Our annual Presentation Day celebrated the contributions of our members both on and off the field.

Emily Hodson was awarded Junior Club Person of the Year while Amipeliasi Tengei and Simon Ibrahim received Volunteer of the Year for their tireless efforts supporting players and organizing events. Joanna Roach was recognised as Club Person of the Year, Jodie Matta received the Team Simon Award and Gisell Fahd was honoured with the Women of League Award for promoting inclusivity and participation in rugby league.

The club thrives thanks to coaches, managers, trainers and families who dedicate countless hours to creating a safe, positive and engaging environment for all players. Their work ensures that every child has the opportunity to learn, grow and enjoy the game, building confidence and lifelong friendships along the way.

We also extend our heartfelt thanks to all our sponsors and partners who support the Titans year after year. Your generosity provides vital resources for player development, equipment, uniforms and community initiatives like the Team Simon Fundraiser. Your support strengthens the foundation of our club and allows us to continue providing an inclusive, safe and enjoyable rugby league experience for all players and families.

PARRAMATTA JUNIOR EELS RL CLUB INC.

President: James Cramp

Secretary: Henare Jenkins

Teams in 2025: 3

Although we are still a small club on the rebuild, a lot of excitement and enthusiasm was shown by our 3 teams, thus providing all with another very enjoyable season.

U6's once again Life Member Coach Kenny was in control of our youngsters. Although the team numbers were short, the smiles on their faces as they ran from their parents to join their teammates on the paddock showcased Kenny's ability to create a fun learning environment for his team. Nice work.

U7's coached by Henare, our 7's showed rapid improvement of both confidence and ball handling ability. Due to their newfound confidence the transition from tag to tackle was relatively easy for most. An understanding and supportive approach from Henare saw all players improve dramatically by seasons end. Again, a fun approach to training had the kids happily engaged. Hats off mate.

U9's coached by Matt. Although playing short for a number of games the team played exceedingly well. Their continual effort and improvement at both training and in games was impressive. Both the coaching staff and players took onboard the tackle ready plus program with enthusiasm. The effort put in by all saw a rapidly developing team that will continue to grow in strength and abilities as they progress. Fantastic effort.

We at the Parramatta Junior Eels continue to work hard and strive for more players and teams and to continue strengthening the proud history of the club and its Life Members.

President

James Cramp

ROUSE HILL JUNIOR RUGBY LEAGUE INC.

President: Paul Fuda

Secretary: Rowena Mezzomo

Teams in 2025: 25

Now that we have settled into our new home at Samantha Riley Reserve things aren't so hectic for the Committee. The new facilities are just fantastic and with the Storage shed now complete 2026 will be even smoother with everything we need on site taking some pressure off Committee members to bring stuff in from other storage facilities.

The scoreboards being installed before the season was also a huge task, and I'm so proud of the efforts put in by everyone involved in getting our new home set up.

It goes without saying that Pink Day is our biggest day of the season and unlike last year the weather turned it on and the place was just buzzing with thousands of people at the grounds doing their bit for our chosen charities of which we again broke the \$20,000.00, not a bad effort for 1 day of fund raising.

Trivia night was a full house. It's such a good night, plenty of laughs and fun had by all. If you missed out this season buy your tickets early next season.

On the field our U12s did an amazing job to make the Grand final against the odds, unfortunately they fell short on the day beaten by a very good side who haven't lost for many years now. Congratulations to Mick his staff and players on a great season.

Our U17s did an amazing job to make it to the Grand final but also fell just short. A terrific effort though as the team only came together late so didn't really have a preseason together. They will be much better next season after a year together. Congratulations to Stephen his staff and players on a great season.

A special mention to our 15/1s who started the season in Div 2 but were promoted to Div 1 after regrading and managed to make the semis and get to week 2.

They also went on to win their Battle of the west game against a much bigger side but never looked in doubt.

Congratulations to Troy, his staff and players on a great season.

To our sponsors, without their contribution and support the club can't run as smooth as it does, so thank you to every one of you, we look forward to having you all on board again next season. We have already landed some new sponsors for 2026, so we are off to a great start already.

To all our volunteers; from coaches, managers and trainers, to all the parents who have helped throughout the year, thank you we value what you do every week.

Our staff in the canteen and food truck are just amazing, it gets hectic at times, but they take it in their stride and never stop doing a stella job every week.

The Committee, I can't wrap them enough, the work and time that goes into each week to make game day run so smooth is non-stop so if you run into a committee member, stop them and thank them, because without them your kids don't get to play for this great club.

The sad part about 2025 is that Rowena has decided to step down as Secretary after 11 years. She has done a magnificent job. At the club since day 1 and I know she will still pop in to say hi as The Rhinos are such a huge part of her life. It has been a privilege to work alongside Row for all those years, and it will take a little while to adjust without her. Thank you Row you are a star!!!

Enjoy the summer break and I look forward to seeing everyone return for an even better 2026

GO THE RHINOS!!!

WENTWORTHVILLE UNITED JRLFC

President: Bakos Hekiek

Secretary: Cass O'Keeffe

Teams in 2025: 32

The 2025 season has been another exciting and successful year for Wentworthville United Junior Rugby League Football Club. We proudly fielded 32 teams across all age groups, from Under 6s through to Open Age, including our Try Time and Sydney Shield teams.

This season, 12 teams qualified for finals, with 10 teams competing in the final series and 3 teams securing Premiership victories. This is an outstanding accomplishment and a testament to the dedication, teamwork, and commitment demonstrated across our club.

Congratulations to our Minor Premiers:

- Under 17 Division 1
- Sydney Shield

Congratulations to our Premiership Winners:

- Under 15 Division 2
- Try Time
- Open Men Gold

Every individual's contribution has played a vital role in our success this year. We are incredibly proud of what has been achieved both on and off the field.

This season marks a significant milestone in our club's journey. Since the competition began in 2012, Sydney Shield has represented the highest level of football within Wentworthville United JRLFC. Starting Season 2026, following a collaborative decision between Juniors and District and endorsed by the Wentworthville Leagues Club Board of Directors, the Sydney Shield program will officially transition to Wentworthville District Rugby League.

While this change represents the end of an era, it also opens the door to an exciting new chapter for our club. We will continue working closely with District staff to ensure strong and sustainable pathways remain in place for our junior players as they progress through their rugby league journey.

2025 Parramatta Junior Rugby League Club Inc. Annual Report

We extend our sincere thanks to our coaching staff, volunteers, parents, and players for their ongoing dedication and passion. We also acknowledge our board members for their leadership and tireless support throughout the year.

We extend our gratitude to Wentworthville Leagues Club for their continued support. Their contribution extends far beyond financial assistance, there are countless people working behind the scenes to provide the facilities and resources that make our season possible, and we are truly grateful for their partnership.

A special thank you also goes to our colleagues at Parramatta, Martina, Nic, and Adam, for their invaluable guidance and support throughout the season. We genuinely appreciate everything you do not only for our club, but for every club in the district, ensuring our kids get on the field each week to play the game they love.

Although we navigated a range of challenges this year, particularly through several transitions within our leadership team, our resilience and unity have been instrumental in driving the club forward. Together, we look ahead with excitement and confidence as we build on this year's achievements and work towards an even more successful 2026 season.

WINSTON HILLS HAWKS

President: Johny Sakr

Secretary: Matt Patten

Teams in 2025: 13

The 2025 season marked another year of growth and community spirit for the Winston Hills Hawks JRLFC. Our commitment to providing a safe, inclusive, and enjoyable environment for players, families, and volunteers remained at the forefront. Notable milestones included the launch of the “Way of the Hawks” program, the grading of teams for the first time, and the debut of our inaugural U13 boys team—each representing exciting progress for our club. These achievements have provided valuable learnings as we look ahead to 2026.

Player registrations surged to 158 across 13 teams, spanning Under 6s to Under 14s.

Highlights included:

- Introduction of our first U13 boys team in the Metro competition.
- Expansion of the Girls League Tag program.
- Strong player retention across all age groups.
- Launch of new development and coaching programs, supported by a dedicated coaching coordinator.

2025 was a successful year on the field, with all teams showing sportsmanship, improvement, and teamwork. Key achievements:

- Both 10/1 and 10/2 teams led their competitions in their first Balmain season.
- U13s and U14/2s reached the finals.
- The club was honored as the “2025 Emerging Club” by PJRL. Beyond results, player development and camaraderie were evident—especially in the U11s, who overcame early challenges to finish the season strongly, embodying true Hawks spirit.

The club’s success is built on the dedication of our volunteers:

- 15 accredited coaches.
- 33 qualified first aid officers and trainers.
- Numerous committed managers, ground staff, and helpers. Their weekly contributions to training, game days, and events ensured a positive experience for all players.

The committee continued to strengthen governance, maintaining compliance with NSWRL policies, Working with Children Check requirements, and club rules. Meetings were well attended and conducted per our constitution, with regular communication to teams and families via email, Team App, and social media.

2025 featured several successful social and promotional events:

- Season Launch Day.
- Visits from male and female Eels players, including Mitch Moses.
- Filming of a Subaru advertisement and Parramatta Eels/City Council promotional video at JC.
- End-of-Season Presentation Day. These events fostered club spirit and community engagement.

Sponsor relationships and funding grew, with a move to two-year kit sponsorships enabling cost savings and better budget forecasting for 2026. We thank all sponsors—new and returning—for their generosity, which provides quality equipment, coaching resources, and safe playing environments.

Our focus for the coming season includes:

- Expanding junior and female participation, with up to 200 players anticipated.
- Further coach education and player development.
- Enhancing club facilities and game-day experiences.
- Strengthening community partnerships. We are confident that the foundations laid this year will drive future growth and success.

A heartfelt thank you to our President, Committee, Coaches, Managers, Players, Parents, and Volunteers for their dedication. Your collective efforts ensure the Hawks remain a proud, family-focused, and community-minded club. Special congratulations to Johny Sakr for 10 years of service—a true clubman!

WINSTON HILLS JRL CLUB INC.

President: Liam Webster

Secretary: Amanda Leabeater & Brian Lomas

Teams in 2025: 6

Now that season 2025 is behind us it's time to look back on the year that was. The Winston Hills Tigers fielded 6 teams this year. Under 6s, 8s, 12s, 15s, 17s and 21s with our 15s taking out the Minor Premiership and the 21s making the Top 4 and finishing the best out of all Parramatta based teams in a combined Metropolitan Competition.

On the back of our successes this year the Club was able to recapture the Emerging Club Championship at the PJRL end of year Awards for 2025.

At this time, I would like to thank Parramatta Junior Rugby League for their efforts this year, particularly their efforts to grow the game and welcome new young players into the sport while also making efforts towards retention for future seasons to come.

To the Referee's Association, thank you for your commitment to the game, especially the new young referees entering the game. Without your presence we don't have a game.

To all our sponsors both new and returning, thank you for your support this year. On the back of your generous contributions, we were able to make crucial upgrades to the club such as the purchase of a new BBQ for the canteen and the installation of a new scoreboard at the ground.

To our Volunteers, Coaches, Trainers and Managers thank you all for your help through the year. All your collective efforts have been paramount to the clubs success this year.

Finally, a huge thank you to the Board. This is a second job for us and we all spend countless hours around the club ensuring that it is run at its absolute best you have all been a pleasure to work with this year and I can't thank you enough.

The club will be looking to build on the success of this year and hope to boost numbers with recruitment drives and advertising to our younger audiences through the preseason. On the back of our success with the under 21s our senior contingent looks to be showing signs of growth next year also which is extremely encouraging.

All in all, the club looks to be sitting in a good position at the end of 2025, and we look forward to seeing what 2026 has for us.

PARRAMATTA DISTRICT RUGBY LEAGUE REFEREES' ASSOCIATION

President: Mathew Picone

Executive Officer: Harrison Bayssari

Season 2025 was a successful year for the Parramatta District Rugby League Referees Association, with strong growth across all areas of officiating and a continued partnership with the Parramatta Junior Rugby League. Our referees officiated weekly across all junior and senior competitions, and the support received from club committees, ground managers and volunteers contributed greatly to safe and well-managed match days throughout the season.

A key focus this year was consistency and education across the district. Early-season club visits were conducted to assist coaches and officials in understanding the new rule interpretations. The Association also supported the introduction of the updated “six-more” rules by providing guidance to referees and being available across the early part of the season to ensure clarity for players, team staff, and parents. We sincerely thank those clubs that booked in sessions for referee visits – we hope you felt it was well worth it. It was an initiative which our referees truly enjoyed and something we hope continues to expand leading into 2026.

The development of referees remained a central strength of the Association. The Beyond Bank Parramatta Referees Emerging Squad again produced strong results, with members progressing into higher-level games and earning selection in NSWRL Junior Representative competitions. Across the season, a number of Parramatta Referees achieved milestones including representative debuts, senior NSWRL match appointments, and several notable finals appearances.

The Association was fortunate enough to have a leading role in the inaugural PJRL Wellbeing & Culture Day. Our Chair, Mat Picone, alongside former NRL referee, Steve Clark, led an engaging session around referee abuse and violence. It was great to see referee wellbeing placed front and centre in the minds of participants at this event.

We were again fortunate enough to train at the state-of-the-art NSWRL Centre of Excellence, enabling us to continue to provide top-flight coaching opportunities to our referees. This includes a structured training program led by a qualified trainer and physio, detailed video review sessions utilising footage from Junior League games and enhanced skill sessions.

The Association continued to maintain strong community and pathway engagement, with several referees involved in major events such as State of Origin halftime matches, Parramatta Eels game-day activations at CommBank Stadium, and NSWRL Major Competitions Grand Final Day. These opportunities showcased the professionalism of our officials and contributed to ongoing recruitment and visibility across the district.

As we look forward to 2026, the Association is excited about the expansion of the “6 more” rule into all age groups from U13’s and above, as well as the introduction of touch judges in U13 and U14 Division 1 competitions. We hope this provides a better experience for all participants within the Parramatta Junior League.

The Association extends its sincere thanks to the Parramatta Junior Rugby League office, club committees, ground staff, and all players, coaches, and volunteers for their support throughout the season. Their ongoing cooperation and respect for our referees continue to make the Parramatta district a positive environment for match officials at all stages of their development.

We look forward to continuing this partnership into 2026 as we work together to support the growth of the game and its participants.

PRESENTATION NIGHT

The Parramatta Junior Rugby League celebrated the 2025 season with its Presentation Night at the glorious Rosehill Racecourse Grand Pavilion.

With representatives from the Parramatta Eels, Parramatta Leagues Club, Subaru Trivett Sydney, as well as its 23 participating Clubs, the Junior League hosted an evening to honour the standout on and off field performances throughout its recent season.

Lewis Shepperd once again ran the evening as Master of Ceremonies, and The Nelson Twins provided eye-opening entertainment at the halfway point of the night.

The Parramatta Junior Rugby League wishes to congratulate each award winner as well as all individuals who contributed to a successful Junior Rugby League season!

The PJRL Board also acknowledged the service of Rowena Mezzomo who has retired her position as Secretary of the Rouse Hill Rhinos after 11 years in the seat.

Video coverage of the Club and Individual Performance Winners can be viewed by clicking on the Award Winners.

Hills District Bulls	Ryan Orley	Winston Hills Hawks	Michael Lloyd Thomas
Kellyville Bushrangers	Damien Cahill	Winston Hills Tigers	Dean Floody
Lalor Park Kookas	Sue Pickworth		

PHILLIP CAREY MEMORIAL AWARD

The Phillip Carey Memorial Award is presented to a Junior male aged 12 to 19 who plays in Division 1 from nominations received by each individual Junior League Club. The image below shows Phillip Carey (centre) receiving his PDJRFL Honorary Member jacket in 1976 with the then Canley Vale President, Mr John Varley (left) and Phillip Carey's father, Harry Carey (right), who was then Vice President of PDJRFL.

The 2025 recipient of the Phillip Carey Memorial Trophy was Feagaiga Palemene from Mounties.

Feagaiga is an athlete who shines both on and off the field. As a hooker, he leads by example, giving his all in every game and training session, and inspiring his teammates with his commitment and spirit.

This season, following the tragic loss of the U15 boys coach, he stepped up as a pillar of strength, uniting and motivating his team through an incredibly tough time. His maturity and resilience have been nothing short of remarkable.

Off the field, he is just as impressive. He invests countless hours in improving his skills, studying the game, and supporting younger and new players with his inclusive, encouraging nature.

Feagaiga truly embodies the values of the Phillip Carey Award: commitment, leadership, resilience, sportsmanship, and passion for rugby league. He's not just a player with enormous potential—he's already making an extraordinary impact and is a role model for all.

JAN BRYEN AWARD

The Jan Bryen Award is presented to a Female aged 12 to 18 who plays in Division 1 from nominations received from each individual Junior League Club.

Jan Bryen was the recipient of both the Eels Women In League Award and NSWRL Volunteer of the Year award in 2011, the Michael Cronin Award Club Person of the Year Award in 2014 and in 2017 she became and remains the only female Life Member of the Parramatta Eels.

The 2025 winner was Bailey Ma-Chong from Cabramatta.

Bailey has built an impressive resume across multiple codes and competitions, showcasing her elite talent.

She has been an integral part of the Parramatta Eels Lisa Fiaola Cup Squad (2024 & 2025 Premiers), won the Best Forward - Lisa Fiaola Cup (2024 & 2025) and Players' Player - Lisa Fiaola Cup (2024), she represented NSW City U17s (2025) and was the Captain of the 2025 U18 NSWRL Metro Combined U18 Girls Gold Cabramatta Team.

A product of Westfield Sports High School, she also has representative honours in Touch Football and Rugby Union.
